Bahaa Nimer

Full-Stack Developer

I am currently seeking a position with an organization where I can contribute the strong skills I've developed from my past education, training, and experience. I am interested in current opportunities and those that may arise in the near future. I have attached my resume as a first step in exploring the possibility of employment in your organization.

Experience

Apr 2022 - Present

Abdul Aziz Al Ghurair School of Advanced Computing (ASAC)

Internship

I was doing code challenges and tasks every day and read about every subject it was practical training for 6 months and I learned about HTML, CSS, JavaScript, Node js, Express js, React js, and many more

Hard Skills

HTML5

CSS3

JavaScript

React js

Redux js

Node js

Express js

Jest

SASS
